

A Sanctuary for Hope

- Hallie Hill is a 501 c3 providing a safe haven for animals with no other home or shelter since 1988.
- The 37-acre Sanctuary includes a log cabin meeting space, a repurposed large horse barn currently housing dogs, a swimming pond for enrichment, an 80+ cattery, an area for feral cats, and roughly 70 long outdoor enclosures for dogs that include houses with straw bedding, heat lamps, and automatic water bowls.
- We are home to more than 200 animals at any given time and touch the lives of more than 400 animals per year.

A Need for Care

- Charleston area animal shelters are severely overburdened.
- Hallie Hill is an integral part of South Carolina's efforts to become a "no-kill" community. We partner with area shelters to house animals that might be less adoptable due to age, medical, or behavioral issues.
- Animals at Hallie Hill are prepared for adoption by receiving respite, rehabilitation, and socialization. For animals whose chances of adoption are reduced, Hallie Hill provides a loving forever home.

A Partnership for a Brighter Future

- We are seeking partners who will provide charitable contributions to the construction of two new facilities at Hallie Hill: The Hub and The Cattery.
- The Hub will be the heart of the Sanctuary and the center of our lifesaving programs by providing a public welcome center, quiet meet and greet adoption area, medical facility, and surgical suite, allowing animals to be treated on-site.
- The Cattery will be comfortably distanced from the dog runs, will house nearly triple the number of cats currently served, and will provide isolation units for cats living with communicable diseases.

Our Vision:

Hallie Hill envisions a future that ensures animals do not suffer due to cruelty or homelessness.

Our mission is to create a compassionate, safe haven by providing quality food and medical care for dogs and cats, a temporary home for adoptable animals, or a forever home for those in need..

New Animal Care Centers

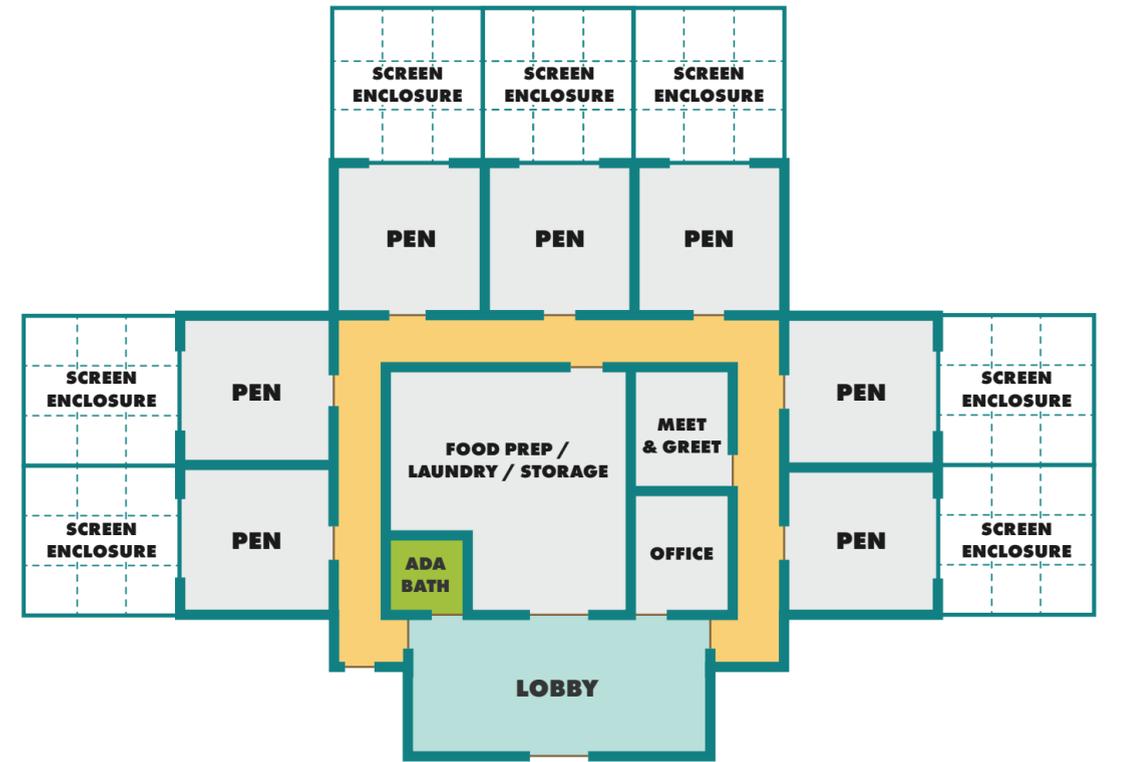

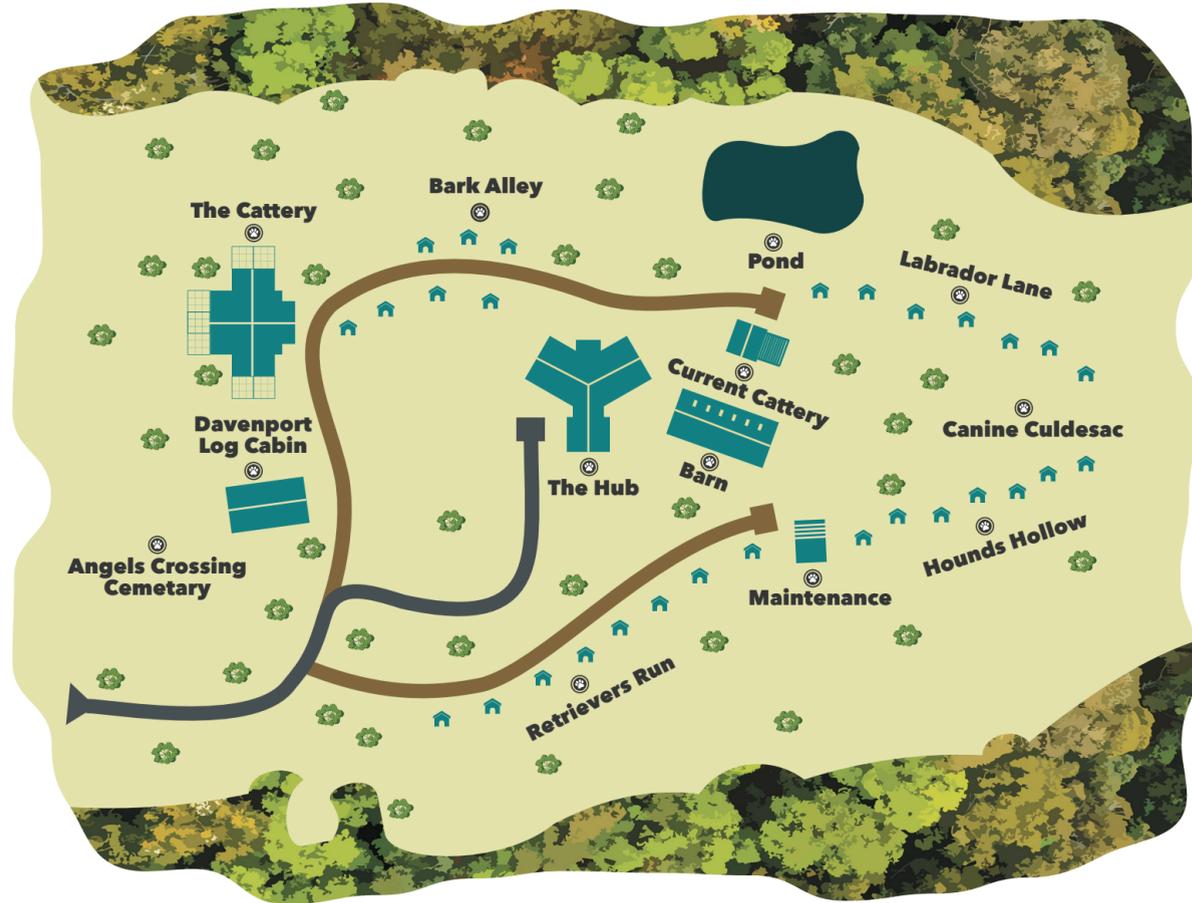

Building a New Future for Animals in Need

We can't change an animal's past, but we can rewrite their future.

Hallie Hill is a 501c(3) non-profit organization that cares for abandoned, abused, or neglected animals. We provide a home with food, shelter, love, and medical care.
